

2-meter pigtail fiber in stock

AI Overview

2-meter fiber optic pigtails with SC UPC connectors are available in stock from multiple suppliers, ready for immediate shipping. Available OptionsFS.com Europe offers 2-meter SC UPC singlemode OS2 pigtails with a 0.9mm tight-buffered fiber, designed for fusion and mechanical splicing. These pigtails are bend-insensitive, reducing attenuation during installation, and comply with ISO9001, ISO14001, and ISO/IEC 27001 standards for quality, environmental, and information security management. Lanshack stocks 2-meter SC UPC OM3 multimode pigtails with high-quality ceramic ferrules, factory-tested for low back reflection (better than -45dB). Orders are typically processed within 24 business hours, and same-day shipping is often available. Fiber24 provides both singlemode OS2 and multimode OM2 pigtails in 2-meter lengths, available individually or in sets of 12, with various connector types including SC/PC, SC/APC, LC/PC, and LC/APC. They also offer customization for different connector types or lengths upon request. EFB-Elektronik offers a wide selection of fiber optic pigtails in stock, including SC, LC, ST, and MTP/MPO connectors. Their pigtails are suitable for patching, splicing, and network maintenance, with low insertion and return loss for high-quality signal transmission.

Key Considerations

- Connector Type:** Ensure the pigtail matches your network equipment (SC UPC is common for both singlemode and multimode applications).
- Fiber Type:** Singlemode (OS2) is ideal for long-distance or high-speed networks, while multimode (OM2/OM3) is suitable for shorter distances.
- Shipping and Stock:** Most suppliers offer same-day or quick processing for in-stock items.
- Quality Standards:** Look for factory-tested pigtails with low back reflection and compliance with ISO standards for reliability. These suppliers provide ready-to-ship 2-meter fiber optic pigtails suitable for FTTH installations, data centers, and general network splicing needs.

Article Content

Fiber Optic Pigtailes, 12 Packs, ST, LC, SC-APC

LC Fiber Optic Pigtail The LC Fiber optic pigtailes are available in individual packs, 6 packs or 12 packs. Jacket Diameters vary including 900um, .9mm, 1.6mm, 1.8mm, 2.0mm, 3mm. The LC Single mode

Fiber Optic Pigtailes for Sale

FS fiber optic pigtailes offer a fast way to make fiber optic communication devices in the field by fiber splicing, fully manufactured and tested by industrial standards.

Fibre Optic Pigtail SC UPC Single Mode 2m (7ft), In

Buy SC UPC single mode fibre pigtail, 0.9mm PVC jacket, 2m (7ft) from reliable fibre optic pigtail supplier - FS , in stock for same-day shipping.

Fiber Optic Pigtail: Types, Splicing Guide, Specs & Price

Pigtailes and Snap Packs

These pigtailes are available in Singlemode or Multimode, 6-packs or 12-packs, and your choice of connectors. All pigtailes feature low insertion loss, low back

Glasfaser Pigtailes

In welchem Fall eine kombinierte Nass-Trocken-Reinigung notwendig ist. Weshalb eine gründliche Reinigung für deine Glasfaserverbindung entscheidend ist.

Fiber Pigtailes

Simplify fiber termination with ZERO Connect's high-quality fiber pigtailes. Our single-mode and multi-mode assemblies, available with various connector types,

Fiber Optic Pigtailes | SC, LC, ST Single Mode & Multimode

High-quality fiber optic pigtailes for terminating and splicing in any network environment. We stock a wide variety of pigtail fiber types, including single mode

Fiber Pigtail SC/APC OS2 G657A2-colored set

The SC fiber pigtail set consists of 12 pigtailes. The 12 pigtailes are coloured according to colour code DIN VDE 0888 red, green, blue, yellow, white, grey, brown, violet,

Fiber pigtailes: buy online at EFB-Elektronik

From fiber optic pigtails to patch cables – visit our online shop and buy fiber pigtails, patch cables and pre-terminated fiber optic cables with all common fiber optic

Fiber optic pigtails single or in set Multimode OM2

In this category we offer pigtails 900µm as single version or as a set of 12 fiber cores multicolored, pre-assembled with different connectors, such as LC/PC or SC/PC.

Fiber Pigtails

Our single-mode and multi-mode assemblies, available with various connector types, provide a reliable, low-loss solution for splicing and connecting fiber runs.

10 Best Fiber Optic Fusion Splicer Machines (June

Discover the 10 best fiber optic fusion splicer machines (June 2026). Our expert reviews highlight reliable, high-precision splicers ideal for efficient

FP/2M/SM/S/SCA Fiber Pigtail, 2 Meter, SM, SC/APC

We stock a vast selection of singlemode and multimode patchcords and pigtails in varying lengths with a selection of industry standard connectors. Each patchcord

10M 2mm SC/UPC Original New Single mode Fiber Pigtail

The 10M 2mm SC/UPC Single Mode Fiber Pigtail is a precision-manufactured, factory-polished optical pigtail designed to deliver low-loss, high-performance splicing and patching for modern FTTx,

Panduit FZ1BN1NNNSNM001 Opti-Core 1 Fiber Patch Cord, OM4, LC

The simplex fiber patch cord is OM4 900µm buffered with no jacket. Additionally, it is LC to pigtail with standard insertion loss and is 1 meter in length.

Stock 2 Meter SC UPC LSZH OFNR OM3 50/125 Fiber Optic Pigtail

Our 2 meter SC UPC OM3 in stock fiber optic pigtails are a great value, high quality, and typically ship same day.

FIS SP12LCUPC 12-Fiber Singlemode LC/UPC 9/125 3-Meter Fiber

Up for sale is a brand new, unused FIS (Fiber Instrument Sales) 12-Fiber Singlemode Pigtail Kit. Product Details: - Brand: FIS (Fiber Instrument Sales) - Part Number: SP12LCUPC - Fiber Count: 12 Fibers

Fiber Optic Pigtails Supplier and Distributor

Each color-coded pigtail is factory terminated and tested through the adapter to ensure the performance of the entire system, not just the connector. Pigtails are

AFL Global Pre-terminated Cable Assemblies

We provide MDU, MPO, loose tube and riser rated, one and two fiber, and multi fiber, and bendable cable assemblies. Explore AFL pre-terminated cable assemblies.

12 Fibers LC SC Fiber Pigtails for Sale

FS 12 fibers pigtails with LC SC connectors feature color-coded or bunch design for various fiber splicing applications. 100% end-face, 3D interferometer, IL & RL

Fiber optic pigtails single or in set Singlemode OS2

Our pigtails are particularly well suited for use in the installation of FTTH connections. If you require a different connector type for your cable pigtails,
