

African Application Distribution Boxes Available Now

AI Overview

A variety of distribution boxes are available in Africa, including electrical distribution boards, modular enclosures, and secure delivery boxes, supplied by companies like Micmar, Schneider Electric, iDeal Box, Umeme Africa, and Powertel.

Electrical Distribution Boxes
AFRICAB Distribution Box 12 Way Surface: Available through Micmar Online, this surface-mounted distribution box is designed for electrical applications and can be purchased via subscription or recurring order options.

Modular Enclosures by Schneider Electric: These include 13, 18, and 24-module surface or flush-mounted enclosures, available in metal or techno-plastic. They comply with IEC 61439 standards and are suitable for residential, commercial, and industrial electrical installations. Schneider Electric distributors in South Africa can provide local availability and support.

Umeme Africa Engineering: Supplies a wide range of electrical products including distribution boards, split meter boxes, transformers, and mini-substations. They offer both wooden and plastic cable drums and related accessories, catering to various electrical distribution needs.

Secure Delivery and Application Boxes
si-Vault by iDeal Box (Pty) Ltd: A high-security, tech-enabled container for domestic and commercial deliveries. The i-Vault integrates with a mobile application for contactless delivery and retrieval, ensuring security and convenience. It is suitable for applications where secure storage and controlled access are required.

Telecommunications and Data Distribution Boxes
Powertel Telecom & Trade: Offers a range of telecommunication and data distribution boxes, including locally manufactured options for posts and network infrastructure in Southern Africa. These boxes support cable management and network distribution needs.
