

Algerian cable tray manufacturers and suppliers

AI Overview

Algeria hosts several reputable cable tray manufacturers offering customized, high-quality solutions for industrial, commercial, and infrastructure projects. Key Manufacturers

1. ICS Metal Company ICS Metal Company specializes in the design and manufacture of cable trays and metal support systems for industrial, tertiary, and infrastructure installations. They provide customized solutions tailored to dimensions, loads, and environmental conditions. Their products are made from corrosion-resistant materials and comply with international standards. ICS Metal Company supports clients from planning to implementation and ensures on-time delivery and secure transport of products . Website: ICS Metal Company
2. Enicab SPA Enicab operates across multiple sectors, including energy distribution, hydrocarbons, petrochemicals, telecoms, and infrastructure. While primarily a cable manufacturer, they also provide technical support and project optimization through their in-house design and development office. Enicab emphasizes quality management and maintains large storage facilities to ensure product availability . Location: Biskra, Algeria. Website: Enicab
3. Brilltech Engineers Pvt. Ltd Brilltech offers a wide range of electrical cable trays, including ladder, PVC, mild steel, perforated, and stainless steel trays. They provide customized solutions for residential, commercial, and industrial sectors. Their manufacturing facility uses advanced tools and quality checks to ensure robust and reliable products, with timely delivery and after-sales support . Website: Brilltech Engineers
4. CABEL (ELEC EL DJAZAIR) CABEL produces energy and traction cables and is part of a strategic industrial holding. While their focus is on cables, they are ISO 9001:2015 certified and provide high-quality electrical solutions suitable for demanding environments, including industrial and infrastructure project...
