

Cable Tray Horizontal Bend Manufacturer

AI Overview

Horizontal bends for cable trays are available from multiple manufacturers in India and internationally, offering customizable sizes, materials, and types to suit various cable tray systems.

Indian Manufacturers

- Parmar Cable Tray** – Based in Pune, Maharashtra, they manufacture horizontal bends for all types of cable trays including perforated, ladder, and wire trays. Bends can be customized in any degree, width, length, and depth according to project requirements.
- Sai Cable Tray India** – Offers horizontal bends made from premium raw materials, engineered to meet national and international quality standards. Their bends are durable, precise, and cost-effective, suitable for metal longitudinal side rail cable trays.
- Ramdev Steel Industries** – Provides 90° horizontal bends compatible with all cable tray types of 50 mm side height, including appropriate fastening materials.
- IndiaMART Listings** – A directory of multiple manufacturers and suppliers of horizontal cable tray bends across India, providing contact details and product options for bulk or customized orders.

International Options

- Atkore (Cope-GLAS Fiberglass System)** – Offers fiberglass horizontal adjustable bends (HAB) with 30° and 60° options, pre-drilled for splice plate fasteners. These bends are designed for smooth cable pulling and can be customized for specific applications.

Key Considerations

- Material:** Steel, aluminum, or fiberglass depending on environmental conditions and load requirements.
- Type:** Ladder, perforated, wire, or solid-bottom trays.
- Bend Angle:** Standard 30°, 60°, 90°, or custom angles.
- Dimensions:** Width, depth, and length can be customized to match the cable tray system.
- Standards:** Ensure compliance with national and international quality standards for durability and safety. These manufacturers provide both standard and custom solutions, making it possible to select horizontal bends that fit specific project needs, whether for industrial, commercial, or specialized installations.
