

Cable routing frame hanging accessories

Overview

Cable Tray: Rigid support system for routing large cable bundles horizontally or vertically. Conduit: Tubular protection for electrical wiring. Choose from our selection of cable management hangers, including routing rings and hooks, hangers for pipe, tube, and conduit, and more. Suspend wire and cable by feeding it through the eyehole Hang, adjust, and remove bundles of cable through the wide opening more easily than with routing rings Hold pipe snug against the mounting surface to prevent movement that may cause breakage Reduce tension and vibration that damage hanging. Cable Ladder Rack: Rigid frame with side rails and rungs for supporting heavy cable bundles. Mouser offers inventory, pricing, & datasheets for Cable Mounting & Accessories.
