AI Overview

Leading cable tray manufacturers in Qatar include Altura Industries, Advance Line, and ICMS, while in Nigeria, Ned-Tech is a key supplier and manufacturer. Qatar's Altura Industries is a major cable tray manufacturer in Qatar, offering a wide range of cable management solutions including cable ladders, wire mesh trays, and GRP/FRP trays suitable for harsh environments like petrochemical and marine industries. Their products comply with BS EN 61537:2007 standards and are designed for smooth cable installation and durability. Advance Line Cable Management System L.L.C manufactures cable trays, ladders, trunkings, basket trays, and strut channels. Their production adheres to British standards, and they provide high-performance solutions for industrial and commercial projects. They also produce GI switch boxes and support systems, emphasizing quality and large-scale production capabilities. ICMS (Industrial Cable Management System Co) specializes in complete cable management systems, including trays, ladders, trunking, and support systems. Established in 2006, ICMS products meet international standards and are recognized for quality and innovation. They also offer metal coating services to enhance durability in challenging environments. Nigeria's Ned-Tech is a leading cable tray manufacturer and supplier in Nigeria, with distribution networks across Africa. They provide perforated, ladder, and solid-bottom cable trays, trunking systems, and wire mesh trays. Their products are made from galvanized steel, stainless steel, and aluminum to resist corrosion and harsh weather. Ned-Tech supports industrial, IT, data center, and telecom projects, offering fast delivery, competitive pricing, and technical support for contractors and engineers.
