

Canadian cable tray brands

AI Overview

Top cable tray brands in Canada include Superior Tray, Unitray, Graybar Canada, Zip Tray, Lumen, and T&B Cable Tray Systems. Leading Canadian Cable Tray Manufacturers

Superior Tray is a prominent manufacturer offering a wide range of cable management products, including ladder trays, solid bottom trays, and perforated trays. They provide both standard and custom solutions for commercial, industrial, and telecommunications projects, with materials such as steel and aluminum, ensuring durability and compliance with safety standards . Unitray specializes in aluminum cable trays and fittings, manufacturing CSA-approved Class C, D, and E trays in standard lengths of 3m, 5m, and 6m. They emphasize quality, safety, and regulatory compliance, and their facilities feature advanced CNC sheet metal equipment for efficient production . Graybar Canada and Zip Tray are also recognized for providing reliable cable tray solutions suitable for various industrial and commercial applications, offering both standard and specialized products designed for harsh environments . Lumen focuses on structured cabling and cable management systems, providing solutions that support scalable and flexible network infrastructure . T&B Cable Tray Systems® (ABB Electrification Canada) manufactures a comprehensive range of cable trays, including ladder trays, large radius trays, long span trays, nonmetallic trays, one-piece trays, and ExpressTray® wire basket trays. Their facilities in Quebec and Alberta allow for quick turnaround and customization, including non-standard lengths, special colors, and pre-drilled grounding holes .

Considerations for Choosing a Brand

When selecting a cable tray brand in Canada, consider:

- Material and durability: Steel, aluminum, or nonmetallic options depending on environmental conditions.
- Load capacity and tray type: Ladder, solid bottom, perforated, or wire basket trays.
- Regulatory compliance: CSA approval and adherence to Canadian electrical codes.
- Customization and lead times: Ability to accommodate...
