

Central Asia Cable Tray Direct Sales

AI Overview

Leading Asian cable tray manufacturers, including Tianhong, Brilltech, and CTL Asia, offer high-quality, durable cable management solutions suitable for Central Asian industrial and infrastructure projects. Key Manufacturers and Suppliers

1. Tianhong Cable Tray (China) Shandong Tianhong Electric Power Technology Co., Ltd. specializes in perforated trays, cable ladders, trunking, strut channels, and fittings. They provide OEM and ODM services, allowing customized solutions for power plants, data centers, commercial buildings, and infrastructure projects. Their products feature heavy-duty designs, powder-coated surfaces for corrosion resistance, and easy installation, making them suitable for harsh environments and long cable runs .
2. Brilltech Engineers (India) Brilltech offers galvanized steel, stainless steel, and fiberglass cable trays designed for durability and safety. Their perforated trays enhance airflow and cooling, prevent overheating, and optimize space. Brilltech also provides installation support, system design assistance, and compliance with industry standards, making them a reliable supplier for large-scale projects in Central Asia .
3. CTL Asia CTL Asia supplies a complete range of cable support systems, including cable trays, ladders, wireways, and adjustable brackets. Their products are available in steel, hot-dipped galvanized steel, aluminum, stainless steel, epoxy-painted steel, and FRP fiberglass, covering light to heavy-duty applications. They cater to power stations, oil refineries, commercial buildings, and offshore platforms, offering versatile solutions for industrial projects .
4. INDOCHINA Engineering This manufacturer specializes in high-strength cable support systems suitable for factories, warehouses, and large-scale electrical installations. Their trays feature welded side rails with cross rungs for easy length adjustment, reducing installation time and improving efficiency .

Considerations for Central Asia

Material Selection: Choose trays resistant to corrosion and extreme temperatures, such as stainless st...
