

Chinese AC DC Integrated UPS Power Supply Brands

AI Overview

Leading Chinese AC/DC integrated UPS power supply brands include INVT, Huawei, KSTAR, KEHUA, and Delta, offering a wide range of modular, tower, and rack UPS solutions for industrial and data center applications. Key Chinese UPS Brands

INVT Power INVT is a major Chinese UPS manufacturer, offering products from 1kVA to 600kVA, including modular, tower, and rack UPS systems. They also provide integrated data center solutions and precision cooling systems. INVT is recognized as one of the top ten UPS suppliers in China and the second-largest modular UPS manufacturer in the country, with over 23 years of experience and multiple manufacturing bases.

Huawei Huawei is a leading global technology company with a strong presence in the UPS market. Their UPS systems are widely used in data centers and industrial applications, known for high reliability and advanced monitoring features.

KSTAR KSTAR is a top industrial UPS manufacturer in China, producing over 200,000 units annually. They offer a full range of uninterrupted power supply products suitable for small businesses, large-scale industrial sites, and data centers.

KEHUA KEHUA provides a variety of UPS solutions, including three-phase and single-phase systems, with a focus on industrial and commercial applications. They are recognized for stable performance and cost-effective solutions.

Delta Electronics Delta is a well-known manufacturer of UPS and AC/DC power supplies, offering modular and integrated solutions for industrial, IT, and telecom applications. Their products are widely used in China and internationally.

AC/DC Power Supply Manufacturers In addition to UPS systems, China has numerous AC/DC power supply manufacturers producing switching power supplies, industrial adapters, and LED drivers. Notable suppliers include:

- Omch – DIN-rail and industrial AC/DC switching po...
