

Chinese and African Domestic Cable Tray Brands

AI Overview

Leading Chinese cable tray brands include Shandong J LH Electric and Tianhong Electric, while in Africa, suppliers like Sartra distribute top regional and international brands. China is a major global hub for cable tray manufacturing, offering a wide range of products including ladder trays, perforated trays, wire mesh trays, and trunking systems. Key domestic brands include: Shandong J LH Electric Co., Ltd.: Known for large-scale production of ladder and perforated trays, wire mesh systems, and custom solutions for industrial and renewable energy projects. Shandong Tianhong Electric Power Technology Co., Ltd.: Specializes in perforated trays, cable ladders, trunking, strut channels, and fittings, with automated production lines and OEM/ODM services. These manufacturers emphasize quality, durability, and compliance with international standards, making them suitable for power plants, data centers, and commercial infrastructure. African Cable Tray Brands and Suppliers In Africa, domestic cable tray production is less centralized, and many suppliers distribute both local and international brands. Notable suppliers include: Sartra: Established in 1983, Sartra supplies a wide range of cable trays and conduits for domestic, commercial, and industrial applications. They stock products from leading brands such as Unitrunk, certified to British and international standards, and offer galvanized steel, PVC, and GRP cable trays. African suppliers often focus on light, medium, and heavy-duty trays, ensuring compatibility with local environmental conditions and industrial requirements. They also provide customized solutions and quick shipment options for urgent projects. Summary China: Dominated by manufacturers like Shandong J LH Electric and Tianhong Electric, offering high-volume, high-quality cable trays suitable for industrial and infrastructure projects. Af...
