

Detailed Price List for Fireproof Cable Trays in Dongtou

AI Overview

Fireproof cable trays in Dongtou vary in price depending on type, material, size, and supplier, typically ranging from \$15 to \$120 per meter for standard industrial trays.

Types and Materials Affecting Price

Fireproof cable trays come in several types, each influencing cost:

- Ladder Trays:** Open, ladder-like design; strong and ventilated; suitable for heavy cables. Prices typically range \$25–\$80 per meter depending on material and load capacity.
- Perforated or Mesh Trays:** Lightweight, ventilated, and flexible; ideal for high-density cabling. Prices usually \$20–\$70 per meter.
- Solid Bottom Trays:** Provide full protection for sensitive cables; more expensive due to material usage, \$40–\$120 per meter.
- U-Shaped or Narrow Trays:** Compact installations; lower material cost, \$15–\$50 per meter.

Common materials include galvanized steel, stainless steel, and aluminum, with stainless steel offering superior fire and corrosion resistance, which increases the price.

Fire Ratings and Coatings

Trays with UL 1724 or NFPA 70 fire ratings or intumescent coatings command higher prices due to enhanced fire protection. Mineral-insulated (MI) cable wraps or fire-resistant blankets can also be added, increasing the overall cost.

Supplier Options in Dongtou

- Factory Direct:** Purchasing directly from manufacturers in Dongtou can reduce costs and allow customization for width, depth, and load capacity.
- OEM or Wholesale:** Offers volume discounts and tailored specifications, suitable for large projects.
- Customization Services:** Some suppliers provide tailored designs, CAD drawings, and installation support, which may add 10–20% to base prices.

Additional Cost Considerations

- Installation Complexity:** Trays requiring special supports, grounding, or spacing adjustments may increase labor costs.
- Lead Time:** Standard orders typically ship in 10–30 days, while customized trays may take longer.
- Volume Discounts:** Bul...
