

Electrical AK Distribution Box

Overview

The Spelsberg electrical distribution boxes of the AK Compact series are specially designed for standard indoor installations. Thanks to their compact design, they create distributions where little space is available –. AK small distribution boards from Spelsberg have for decades now proven to be suitable product solutions in highly-demanding installation situations, in particular in commerce and industry. PE/N clamp rail with 2 x 16 mm² and 5 x 6 mm². Rated operating voltage 400 V AC and rated insulation voltage 1000 V AC / 1000 V DC. Browse a range of options for electronic instrument box projects available in a variety of sizes and styles, like handheld enclosures and extruded aluminum enclosures.
