

Fiber Optic Cables for Smart Buildings in Australia

AI Overview

Fibre Optic Systems, AFL, Anderson Corporation, and Optical Solutions Australia are leading Australian manufacturers and suppliers of fiber optic cables suitable for smart building applications. Key Manufacturers and Suppliers

1. **Fibre Optic Systems (FOS)**
Based in Knoxfield, Melbourne, FOS is a well-established manufacturer and distributor of fiber optic and copper solutions. They specialize in rapid production of fiber optic assemblies and offer tailored solutions for smart building networks, ensuring fast turnaround from design to delivery. FOS emphasizes innovation, technical expertise, and high-quality manufacturing for both fiber optic and copper products, making them suitable for modern building connectivity projects.
2. **AFL Australia**
AFL operates a manufacturing facility in Tottenham, Victoria, producing a wide variety of fiber optic cables, including loose tube, armoured, ADSS, and tactical designs. Their products are engineered for durability and performance in diverse environments, making them ideal for smart building infrastructure that requires reliable, high-performance cabling.
3. **Anderson Corporation**
Anderson Corporation offers the RapidConnect fiber optic cabling system, designed for fast deployment and high reliability. Their product range includes indoor/outdoor cables, pre-terminated cables, patch cables, and FTTx solutions such as splitters and PON power meters. Anderson provides a 25-year enterprise cabling warranty and focuses on cost-effective, quick installation, making them a strong choice for smart building networks.
4. **Optical Solutions Australia (OSA)**
OSA, part of the Hexatronic Group, specializes in designing and distributing advanced optical network solutions. They provide comprehensive fiber optic cabling, turnkey network design, and infrastructure solutions for enterprise and smart building applications. Their Powered Fibre suite supports power and data...
