

Fiber Optic Network Switch Manufacturers

AI Overview

Here are some of the top manufacturers of fiber optic switches as of December 2025: ICP DAS USA, CTC Union Technologies, and Shenzhen OPTICO Communication. Top Fiber Optic Switch Manufacturers ICP DAS USA: Known for a variety of industrial automation products, including fiber optic switches. CTC Union Technologies Co. Ltd.: Specializes in networking and communication solutions, including fiber optic products. Shenzhen OPTICO Communication Co., Ltd.: Offers a range of fiber optic communication equipment and solutions. HUBER+SUHNER Polatis: Provides advanced optical switching solutions for telecommunications and data centers. DiCon Fiberoptics Inc.: Focuses on fiber optic components and systems for various applications, including telecommunications. AeroDIODE: Manufacturer of fiber optic switches and related instrumentation. BizLink Technology Inc.: Offers a range of fiber optic networking products, including switches. Molex, Optical Solutions: Provides a variety of optical solutions, including fiber optic switches. Thorlabs, Inc.: Known for photonics equipment, including fiber optic components and switches. Newport: A brand within MKS Instruments, offering a full range of optical and photonic solutions, including fiber optic switches. Additional Resources Metoree: Lists 19 fiber optic switch manufacturers and their rankings, providing a comprehensive overview of the market. Thomasnet: A directory of manufacturers and suppliers of fiber optic switches in the USA, offering detailed company profiles. Photonics Buyers' Guide: A comprehensive guide to optical fiber optic switch manufacturers and suppliers. GoPhotonics Directory: Lists various manufacturers and suppliers of fiber optic switches, allowing for easy comparison. GlobalSpec: A database of fiber optic switch manufacturers and distributors, providing extensive product information. These manufacturers are reco...

Fiber Optic Switches | Suppliers | Photonics Buyers" Guide | Photonics ...

Explore 31 top manufacturers and suppliers of Fiber Optic Switches in our comprehensive photonics buyers" guide.

Intelligent networking solutions for the AI era

Adtran is a leading global provider of open, disaggregated networking and communications solutions that enable voice, data, video and internet

Fiber Optic Security System | Future Fibre Technologies

Future Fibre Technologies is a leader in intrusion detection systems, offering fibre optic security system solutions for pipeline, fence, and perimeter.

Top Fiber-Optic Switches Providers | Compare 22 Companies

Compare Fiber-Optic Switches providers listed in the Wireless and RF Online Directory. Browse the latest products and services for your business, read company reviews, download white papers, and

Marvell Technology, Inc. | Essential technology, done right

Marvell designs custom silicon tailored for any application and offers the industry"s most comprehensive portfolio of interconnects and network switch products.

How Many Core In Fiber Optic Cable Do I Need

For example, if you have three optical fiber access switches, you need to have three cores. (actually use a four core optical cable) This is because apart

Fiber optics network switch, Fiber optics ethernet switch

Find your fiber optics network switch easily amongst the 121 products from the leading brands (Advantech, Winmate, YOKOGAWA, ...) on DirectIndustry, the industry specialist for your

Fiber Optic Switch Producer: High-Speed Network Solutions

Find top fiber optic switch producers for high-speed data transmission. Discover managed, Layer 3 switches with SFP+ uplinks and PoE support. Click to explore verified suppliers

Intelligent IoT Solutions

IoT building blocks & gateways, cloud-based device management, automated downtime managers: Lantronix IoT products and services help you connect smart!

Optical Communications Products | Communication

Browse our optical communication connectivity products designed to help you enable your communication networks. Easily create a bill of materials list.

Fiber Optic Network Switches

Our Ethernet network switches with fiber ports comes in managed or unmanaged formats combined with both Industrial and Commercial grades. Utilize our PoE

19 Fiber Optic Switch Manufacturers in 2026 | Metoree

This section provides an overview for fiber optic switches as well as their applications and principles. Also, please take a look at the list of 19 fiber optic switch manufacturers and their company rankings.

Fiber Optic Switch Manufacturers

Fiber Optic Switch is an optical device that allows the routing of optical signals from one or multiple input fibers to one or multiple output fibers. The leading manufacturers of Fiber optic switches are listed

Optical networks

An optical transport network is a high-speed communication system that sends light signals over fiber-optic cables to move large amounts of data across long distances.

E-Link | Industrial Ethernet Switches Fiber Media Converters

Extend your network over long distances with E-link fiber optic solutions. Our fiber media converters enable seamless communication between

Structured Cabling Solutions

ICC is a structured cabling solutions manufacturer of copper & fiber optic connectivity products for commercial & residential applications.

Global IT Products & Network Solutions Provider | Black Box

Black Box provides cutting-edge IT solutions and technology products to businesses worldwide, ensuring innovative and reliable services for global digital transformation.

Fiber Optic Cable Supply | Buy Fiber Optic Products

Switches, Transceivers, Media Converters Full line of media conversion products for your copper-to-fiber network including 10/100 standalone converters, Industrial

Fiber Optical Switches Fiber Optic Switches Manufacturers

The leading Fiber Optical Switches Fiber Optic Switches Manufacturers are listed in this directory. You can narrow down the list of manufacturers based on their location and capabilities, browse their

SFP+, XFP, QSFP+, DAC Twinax Cable 10Gtek Transceivers Co., Ltd

DAC Twinax Cable Maker. CE, FCC, RoHS, ISO9001 Certified. Professional Manufacturer focusing on SFP+ Cables, QSFP+ Cables, MiniSAS Cables, QSFP Cables, XFP Cables, CX4 Infiniband Cables

Comms Express | Top Supplier of Network Cables, Data & Server Racks

Complete network supplies specialists providing all types of business solutions, including server & data racks, network cables, & cabinets. Order online today.

Products

Suitable products? Explore our product groups by drilling down and setting filters.

Wireless & Fiber Network Equipment for ISPs & WISPs

ISP Supplies provides an extensive range of Wireless and Fiber network equipment and devices to fulfill all your networking needs. Browse our vast selection of

Fiber Optical Switches – Secure And Reliable Solutions

Discover Fibersystem's fiber optical switches for high-speed, secure, and reliable data management. Contact us to learn how they fit your network needs!

Air | Contact

Get in touch with Air (formerly Govini). Contact our team to request a demo, discuss media inquiries, or learn more about our Enterprise Readiness platform.

Home | OZ Optics Ltd.

Located in Canada's capital city of Ottawa and established in 1985, OZ Optics Limited is a leading worldwide supplier of fiber optic products for existing and next-generation optical networks. In
