

Fireproof cable tray manufacturing in West Asia

AI Overview

Top Chinese manufacturers like Langfang Wanbo, Zhejiang Rutong, and ApexTray offer high-quality fireproof cable trays suitable for West Asia projects. Recommended Manufacturers

1. Langfang Wanbo Cable Tray Co., Ltd. Located in Hebei Province, China, Langfang Wanbo specializes in fireproof cable trays, ladder trays, and metal fittings. They provide a wide range of products including galvanized steel, stainless steel, and aluminum trays. The company is certified and experienced in exporting electrical accessories, making them suitable for West Asia projects. They also offer customized solutions for industrial and commercial applications, ensuring compliance with fire safety standards.
2. Zhejiang Rutong Electric Technology Co., Ltd. Rutong manufactures sealed fireproof cable trays designed for high safety and durability. Their products are engineered to withstand extreme conditions and are ideal for industrial and infrastructure projects. They emphasize precision manufacturing, advanced materials, and compliance with rigorous safety standards, making them a reliable partner for international clients in West Asia.
3. ApexTray APEXTRAY offers solid bottom, ladder, and perforated cable trays with customization options. They use galvanized steel, stainless steel, and aluminum, ensuring durability and fire resistance. ApexTray provides installation support, CAD design services, and project-specific solutions, which is beneficial for large-scale projects in West Asia. Lead times typically range from 10-30 days depending on order size and specifications.

Product Types and Materials

- Ladder Cable Trays: Ideal for heavy-duty cabling and ventilation.
- Perforated Cable Trays: Suitable for drainage and heat dissipation.
- Solid Bottom Cable Trays: Provide maximum protection for sensitive cables.

Materials: Galvanized steel, stainless steel (304/316), aluminum, FRP/GRP for corrosion resistance...
