

Galvanized Waterproof Cable Tray Manufacturer Supply

AI Overview

Top manufacturers of galvanized waterproof cable trays include Gersan, Eurostrut, Besca, and various Alibaba suppliers, offering durable, corrosion-resistant solutions for industrial and outdoor applications. Leading Manufacturers Gersan offers a wide range of cable trays in hot-dip galvanized, pre-galvanized, stainless steel, aluminum, and powder-coated finishes. Their trays are suitable for diverse environments, including industrial plants, airports, ships, and refineries. Gersan emphasizes durability, corrosion resistance, and long service life, with coating thicknesses between 15–25 microns for pre-galvanized trays. They also provide heavy-duty and hygienic options for specialized industries like food and beverage, and offer complete cable carrier systems for complex installations. Eurostrut manufactures hot-dip galvanized and stainless steel cable trays suitable for indoor and outdoor use. Their products are designed for strong, durable, and safe cable management, with flexible widths, heights, and configurations. Eurostrut trays are ideal for industrial and marine applications, including distribution trays, cable routes, and NATO-type models, and they support fast installation to reduce labor costs. Besca (Shanghai Besca Industrial Co., Ltd) is a professional Chinese manufacturer specializing in cable support systems. They provide cable trays, ladders, trunking, wire mesh trays, and accessories with various profiles, depths, and load capacities. Besca products comply with international standards such as UL, cUL, CE, IEC 61537-2006, and NEMA VE 1-2009. Their systems are widely exported and used in commercial, industrial, and mining projects. Alibaba Suppliers offer a variety of galvanized waterproof cable trays, including hot-dip galvanized, aluminum, and stainless steel options. These trays typically range from 200–300 mm in width, feature perforated designs for ven...
