

Good fireproof cable tray manufacturers in Saudi Arabia

AI Overview

Kingdom Grating, Al Noor International Industrial Company, and Saudi Fiberglass are leading manufacturers of fire-resistant FRP/GRP cable trays in Saudi Arabia. Key Manufacturers

1. Kingdom Grating Kingdom Grating specializes in FRP cable trays and ladders designed for fire resistance, corrosion protection, and chemical durability. Their products are manufactured using glass-armored thermoset fire-resistant resins, meeting international standards such as IS 6746, NEMA FG-1, and UL 94 Flame Retardant ratings. They offer ladder and perforated cable trays, along with a full range of accessories including coupler plates, expansion plates, and cover clamps. Custom sizes and fittings like bends, tees, and reducers are available, ensuring solutions for diverse industrial projects across Saudi Arabia .
2. Al Noor International Industrial Company Al Noor produces GRP (Glass Reinforced Plastic) cable trays, also known as FRP trays, engineered for harsh and corrosive environments. Their trays are fire-retardant, UV-stabilized, and electrically insulating, making them suitable for offshore platforms, chemical plants, and industrial zones. GRP trays are lightweight, easy to install, and require minimal maintenance while providing long-term durability and fire safety compliance .
3. Saudi Fiberglass Saudi Fiberglass manufactures a comprehensive range of FRP/GRP cable management systems, including cable trays, ladders, and ducting. Their systems are corrosion-resistant, non-conductive, and fire-retardant, ideal for petrochemical plants, water treatment facilities, offshore platforms, and power generation projects. They offer standard and custom dimensions with a full range of fittings and accessories, ensuring safe and reliable cable routing in high-temperature and hazardous environments .
