

How much does galvanized cable tray cost in Singapore

AI Overview

Galvanized cable trays in Singapore typically range from S\$20 to S\$150 per meter, depending on material, duty rating, and supplier. Price Overview Galvanized cable trays are available in hot-dipped galvanized (HDG) or GI zinc-plated steel, with pricing influenced by tray width, load capacity, and coating type. Light-duty trays (13mm) are generally at the lower end of the price range, while medium-duty (25mm) and heavy-duty trays (50mm and above) cost more due to higher material strength and load capacity. Suppliers and Online Options AE Hub Singapore offers a variety of galvanized cable trays, including light, medium, and heavy-duty options, with covers available upon request. Hardware City Singapore provides galvanized GI cable trays with free islandwide delivery for orders above S\$200, making it convenient for bulk purchases. RS Singapore supplies industrial-grade cable trays from brands like Cablofil and Legrand, with options for steel, aluminum, and stainless steel, and offers next-day delivery. Wanco Electric Pte Ltd lists perforated steel trays with hot-dipped galvanized coating, epoxy-coated options, and multiple duty ratings, suitable for commercial and industrial applications. Lazada Singapore allows online comparison of prices from multiple sellers, often featuring promotions and discounts for smaller quantities. Factors Affecting Price Material and Coating: HDG trays are more durable and slightly more expensive than GI zinc-plated trays. Duty Rating: Light-duty trays are cheaper, while heavy-duty and super heavy-duty trays cost more due to thicker steel and higher load capacity. Tray Width and Length: Wider and longer trays increase material usage and cost. Accessories: Covers, bends, and junctions add to the total price. Practical Tips For bulk industrial projects, suppliers like RS Singapore and Wanco Electric offer competitive pricing and delivery options. For smaller or resi...
