

Huijue 24-position distribution box

AI Overview

The Huijue 24-position distribution box (HJ-GF-KSW-24C) is a wall-mounted fiber optic distribution box designed for splicing and optical distribution of up to 24 fiber cores. Overview and Features The Huijue 24-core distribution box, model HJ-GF-KSW-24C, is a plastic fiber optic distribution box that integrates both fusion splicing and optical distribution functions. It is designed for wall-mounted installation, making it suitable for indoor and outdoor telecom applications. The box is compact, durable, and provides organized management of fiber cables, ensuring that excess fiber cords and pigtails are neatly stored without tangling or interference. Key features include:

- Capacity:** Supports up to 24 fiber cores.
- Functionality:** Combines splicing, distribution, and panel management in one unit.
- Cable Management:** Can handle single, ribbon, and bundle fiber cables, maintaining order and easy access for maintenance.
- Material:** High-quality plastic construction for durability and environmental resistance.
- Installation:** Wall-mounted, suitable for FTTH (Fiber to the Home) or FTTB (Fiber to the Building) networks.
- Customization:** Dimensions and internal configuration can be tailored to project requirements.

Manufacturer Information The box is produced by Shanghai Huijue Network Communication Equipment Co., Ltd., a leading manufacturer of telecom and communication products since 2001. Huijue operates R&D and production facilities in Shanghai and Jiangsu province, covering over 60,000 square meters combined, and specializes in fiber optic components, outdoor cabinets, and integrated network solutions. The company provides OEM/ODM services, ensuring that distribution boxes can be customized for specific network projects.

Applications The Huijue 24-position distribution box is widely used in: FTTH and FTTB deployments for residential and commercial buildings. Telecom operator networks, including China Mobile, China Unicom, and China Telecom. Indoor and outdoor network installations, providing secure and orga...
