

Iranian Fireproof Cable Tray Custom Manufacturer

AI Overview

Alborz Industrial Group, Cable Varan, and Parsian are among the leading Iranian manufacturers of fire-resistant cable trays. Key Manufacturers

1. Alborz Industrial Group Alborz Industrial Group is the first and only manufacturer of PVC cable trays in Iran, producing non-combustible and self-extinguishing trays suitable for industrial and commercial applications. Their PVC trays are resistant to UV rays, acid fumes, and chemicals, making them ideal for humid or corrosive environments. They offer various sizes, lockable doors, smooth corners to prevent cable damage, and long service life. The products are certified by Iran's accredited laboratories and comply with international standards.
2. Cable Varan Industrial and Manufacturing Company Founded in 1983 in Tabriz, Cable Varan focuses on innovation, quality, and competitive pricing. They employ specialized staff for design and production, ensuring durable and fire-resistant cable trays. The company emphasizes long-term quality and customer satisfaction, making it a trusted supplier in Iran.
3. Parsian Cable Tray Parsian produces galvanized and stainless steel cable trays with a wide range of sizes and colors. With over 15 years of experience, Parsian offers durable trays suitable for electrical installations in industrial, commercial, and construction projects. Their products are designed to meet professional engineering standards and are widely used across Iran.
4. Kerman Niroo Industrial Group Kerman Niroo specializes in industrial galvanized cable trays with customizable options. Established in 2012, the company has supplied trays for large-scale industrial, commercial, and construction projects, earning recognition for quality and reliability.

.Additional Notes Some companies, like Eagle Barq Co., act as agents for international brands (SPINA/SCHIAVETTI TEKNO) and provide advanced cable tray systems with t...
