

Israel Metal Cable Tray Connector Manufacturer

AI Overview

Israel hosts several reputable manufacturers of metal cable tray support systems, including Brilltech Engineers, Vashi Integrated Solutions, Jeetmull Jaichandlall, and Cable House, offering durable, customizable solutions for industrial and commercial projects. Key Manufacturers and Suppliers Brilltech Engineers provides high-quality cable trays made from galvanized steel, stainless steel, and fiberglass. Their products include perforated trays that enhance airflow, protect cables from environmental hazards, and optimize space. They also offer installation support, system design assistance, and compliance with industry standards for safety and durability. Vashi Integrated Solutions specializes in a wide range of cable trays and support systems, including ladder trays for heavy-duty power cables, perforated trays for ventilation, unperforated trays for dusty or corrosive environments, and mesh trays for flexible installations. They serve industries such as factories, data centers, solar power systems, oil and gas, and marine projects, providing accessories and supports for easy installation. Jeetmull Jaichandlall manufactures versatile metal cable trays with robust wire mesh construction, capable of withstanding heavy loads and industrial wear. They offer customized sizes, shapes, and finishes, ensuring compliance with industry standards and global supply capabilities. Cable House has been active since 1983, producing cable trays, hose clamps, crimping tools, and industrial connectors. They provide tailored solutions for both national and international clients, emphasizing durability, reliable performance, and customization options for diverse project requirements.
