

Jordan Cable Management Frame Manufacturer

AI Overview

MASEICO, Munir Al Ali & Sons, and Davos for Electrical Systems are leading manufacturers and suppliers of cable management frames and systems in Jordan. Key Manufacturers

MASEICO (Al Masoudia Electrical Industries Co. Ltd.) specializes in manufacturing cable trays, ladders, supporting materials, cable glands, and earthing and lightning materials. Their products are designed according to international standards and are widely used in industrial, building, petrochemical, power, oil, and gas projects. The company operates a factory in Amman, Jordan, and serves clients across the Middle East, providing certified and high-quality cable management solutions tailored to site-specific conditions (MASEICO).

Munir Al Ali & Sons Company Established in 1981, Munir Al Ali & Sons provides comprehensive cable management solutions, including installation of cable trays and all types of cable management systems. They also supply and install low and medium voltage cables, communication networks, data networks, and electrical infrastructure for large-scale projects. Their experience spans industrial, commercial, and renewable energy sectors, ensuring compliance with international standards (Munir Al Ali & Sons).

Davos for Electrical Systems & Supplies Davos offers full cable management system solutions, including cable trays, support systems, and rack cabinets. They partner with international manufacturers like EAE Group to provide specialized solutions for data centers, industrial facilities, and commercial buildings. Their products meet ISO standards and are designed for flexibility, reliability, and ease of installation in critical infrastructure projects (Davos).

Additional Notes While companies like JOCAB and Wadi Al Seer focus primarily on cable manufacturing rather than cable management frames, they are notable for high-quality electrical cables t...
