

Laos power distribution box complete set manufacturer

AI Overview

Reliable manufacturers and suppliers of complete power distribution box sets in Laos include Machineequipments, KXN Trading, GEYA, and DAI-ICHI DENSHI LAO. Key Manufacturers and Suppliers

1. Machineequipments Machineequipments is a leading power distribution equipment manufacturer and supplier in Laos, offering a wide range of products including complete distribution box sets. They provide bulk supply options and are known for their one-stop solutions for industrial and commercial electrical projects. Customers can contact them directly via email for inquiries and orders (sales@machineequipments.com) .
2. KXN Trading Co. (Khounxay Group) KXN Trading partners with internationally recognized suppliers to provide high-quality power generation and distribution equipment. They cater to infrastructure, construction, mining, and dam projects, offering technical support and equipment sourcing for complete power distribution systems .
3. GEYA GEYA specializes in distribution boxes, miniature circuit breakers, DC surge protectors, and smart electricity meters. Their products are certified by UL, CSA, TUV, and CE, and they offer customization for residential solar systems, industrial applications, and single-phase photovoltaic setups. GEYA's distribution boxes feature IP65 protection, flame-retardant ABS materials, and are designed for efficiency and safety. They also provide technical guidance for selecting the right distribution box type based on project requirements .
4. DAI-ICHI DENSHI LAO Co., Ltd. DDL provides wire harnesses and electrical components, which are essential for assembling complete power distribution systems. Their expertise includes integrating multiple electrical components into functional assemblies, making them a reliable partner for customized distribution box solutions .
