

Malawi Horizontal Cable Tray Manufacturer

AI Overview

Brilltech Engineers Pvt. Ltd. and Cable House are leading manufacturers and suppliers of horizontal cable trays in Malawi. Brilltech Engineers Pvt. Ltd. is a prominent cable tray manufacturer and supplier in Malawi, offering a wide range of horizontal cable trays made from galvanized steel, stainless steel, and fiberglass. Their trays are designed for durability, corrosion resistance, and optimal airflow, which helps prevent overheating and ensures efficient cable performance. Brilltech provides customized solutions to meet specific project requirements and supports clients with system design, installation guidance, and maintenance. They also export their products to other African and Middle Eastern markets. Cable House, established in 1983, is another recognized manufacturer and supplier of cable trays in Malawi. They offer customized horizontal cable tray solutions and a variety of related products such as hose clamps, cable ties, and industrial connectors. Cable House emphasizes high durability, reliable performance, and compliance with industry standards, catering to both national and international clients. Their team provides tailor-made solutions to meet diverse industrial and construction needs.

Key Features of Horizontal Cable Trays

Material Options: Galvanized steel, stainless steel, fiberglass
Designs: Perforated, ladder, and solid-bottom trays for different applications
Benefits: Enhanced cable organization, improved airflow, reduced hazards, and easy installation
Applications: Electrical, construction, industrial, and automotive sectors

Additional Considerations

When selecting a manufacturer in Malawi, consider product quality, customization options, compliance with safety standards, and after-sales support. Both Brilltech Engineers and Cable House provide consultation and project-specific guidance, making them r...
