

Maltese Industrial Switch Brands

AI Overview

Key industrial switch brands available in Malta include ETI, FIN Automation, and MYC, supplied through local distributors such as AJ Electric, FIN Automation Malta, and MCE Limited. ETI (via AJ Electric) offers a wide range of industrial switches and protection devices suitable for commercial and industrial installations. Their product line includes type D, D0, and C fuse-links, MCBs, residual current devices, NV/NH fuse-links, switch disconnectors, power circuit breakers (ETIBREAK), contactors (ETICON), and overvoltage protection devices (ETITEC). These products are designed for high-quality protection of electrical installations and can be integrated into distribution cabinets of your choice, ensuring reliable industrial performance (AJ Electric). FIN Automation Malta provides a broad selection of rocker, toggle, pushbutton, rotary, and miniature switches, as well as hydraulic-magnetic, thermal, and ground fault circuit breakers. Their products are designed for OEM applications and industrial automation, emphasizing performance, reliability, and advanced features suitable for diverse industrial environments (FIN Automation Malta). MYC switches are available through local online platforms like Calleja.com.mt. They offer electrical switches for industrial and commercial use, including intermediate and standard switches, suitable for various control and installation needs (Calleja). MCE Limited supplies a wide range of electrical installation equipment, including industrial switches such as 10A intermediate switches and other control devices. They focus on providing comprehensive service to the electrical and engineering industries, making them a reliable source for industrial switch procurement in Malta (MCE Limited). ESS Ltd While primarily known for lighting and electrical goods, ESS also stocks switches and sockets from top brands, catering to both industrial and commercial applications. They are recognized for their long-standing service and wide product selection (ESS...
