

Middle East electrical distribution box assembly company

AI Overview

Key manufacturers and suppliers of electrical distribution boxes in the Middle East include Shug Electrical, Al Safeenah, Al Misbah Al Sehri, Al Taqwa Electric, and Coloria Group. Leading Manufacturers and Suppliers Shug Electrical operates across the USA, Middle East, and Africa, specializing in UL Listed and CE Certified distribution equipment from brands like Square D, ASCO, Schneider, Boltswitch, and Eaton. They provide project management, engineering, and electrician support for international construction and oil & gas projects. Al Safeenah in the UAE manufactures robust distribution boxes constructed from carbon steel, stainless steel, or thermoplastic. Their products feature IP65/IP66 weatherproof ratings, modular DIN-rail designs, and corrosion-resistant coatings, suitable for industrial plants, construction sites, telecommunications, commercial buildings, and renewable energy installations. Al Misbah Al Sehri Electricals Trading LLC in Dubai produces a wide range of switchgear and distribution boards, including main, sub-main, and final distribution boards, capacitor banks, motor control centers, and ATS panels. Their products are designed to meet standard quality requirements at competitive prices. Al Taqwa Electric supplies low-voltage electrical products and assemblies across the UAE and GCC. They offer switchgear manufacturing, GRP enclosures, control panels, and energy auditing services. Their solutions cater to commercial and industrial sectors, emphasizing safe and efficient power distribution. Coloria Group provides global distribution box solutions with fast delivery to Middle East markets, including Saudi Arabia. Their products are engineered for extreme temperatures, high humidity, and strict local regulations like SASO standards. They offer customized stainless steel enclosures, anti-microbial coatings, and rapid delivery for critical projects. Key Cons...
