

Myanmar Power Cable Tray Manufacturer

AI Overview

Brilltech Engineers and MYD are leading cable tray manufacturers and suppliers in Myanmar, offering galvanized, ladder, and perforated cable trays for industrial, commercial, and residential applications.

Key Manufacturers and Suppliers

- Brilltech Engineers Pvt. Ltd.** Brilltech Engineers is a prominent cable tray manufacturer and exporter in Myanmar, providing a wide range of cable trays including galvanized, ladder, and perforated trays. Their products are made from high-quality materials such as galvanized steel, stainless steel, and fiberglass, ensuring durability, corrosion resistance, and compliance with industry standards. Brilltech offers customization options for size, dimensions, and material, along with installation support and system design assistance. Their trays are widely used in electrical, construction, and industrial projects, and they also export to international markets.
- MYD (Myanmar)** MYD supplies a variety of cable management solutions including cable trays, trunking, and ladder systems suitable for residential, commercial, and industrial use. Their products are designed for easy installation, minimal labor, and adaptability to changing project needs. MYD provides standard dimensions ranging from 50mm to 700mm in width, with options for customized designs and colors.
- MPEC Myanmar** MPEC Myanmar, located in Yangon, manufactures electrical aids including cable trays and related accessories. They focus on quality raw materials such as EGI sheets, epoxy powder, and other electrical components, catering to local industrial and commercial requirements.

Product Features

- Galvanized Cable Trays:** Hot-dip galvanized steel for corrosion resistance, perforated designs for ventilation, and long-lasting performance.
- Ladder Cable Trays:** Industrial-grade aluminum or steel, providing superior strength and durability for heavy-duty applications.
- Perforated Trays:** Promote airflow to prevent overheating and ensure optimal cable performance.
- Customization:** Sizes, materials, and colors can be tailored to project specifications.
