

Outline drawings

mm

The technical drawings include:

- Top View:** Shows a rectangular module with dimensions 30 mm (width) and 25.80 mm (length). It features 4x (2±.50) pins on the left, 14 pins on the right, and a central 7-pin connector. A dimension of 12.70 mm is shown between the pin groups. A note indicates a length from the module to the optic fiber end of >0.8m.
- Side View:** Shows the module's profile with a height of 14.00 mm and a base width of 12.70 mm. A dimension of 14.00 mm is shown for the main body height.
- Detail View:** Shows a close-up of the 7-pin connector with dimensions 6.35±.20 mm (width) and 4.00 mm (height).
- Optic Fiber:** A coiled green optic fiber is shown connected to the module.
- Pin Configuration:** A diagram at the bottom right shows the pin connections, including a ground symbol and a signal pin labeled '1'.

Laser Diodes | element14 New Zealand

Find a huge range of Laser Diodes at element14 New Zealand. We stock a large selection of Laser Diodes, including new and most popular products from the world's top manufacturers including:

New Zealand Laser Diode Market (2025-2031) | Trends, Outlook

Drivers of the market The laser diode market in New Zealand is driven by the increasing use of laser diodes in various applications, including telecommunications, healthcare, industrial manufacturing,

Laser Machines | New Zealand's Biggest Laser Cutter

Laser Machines is a trusted industry leader in laser cutting machinery and equipment supply across New Zealand, offering the highest quality machinery,

ADN2873 Datasheet and Product Info | Analog Devices

Like the ADN2870, the ADN2873 laser diode driver (LDD) is designed for advanced SFP and SFF modules, using SFF-8472 digital diagnostics. The

Electronic Components Distributor

Electronic components distributor with a huge selection in stock and ready to ship with no minimum orders. New electronic parts added daily.

DIODE LIMITED :: New Zealand :: OpenCorporates

Free and open company data on New Zealand company DIODE LIMITED (company number 8175622), Flat 3, 65 Pharazyn Street, Melling, Lower Hutt, 5010

International Distributors - New Zealand - Wavelength Electronics

Wavelength Electronics solves problems for researchers and OEMs that use high precision laser diodes, quantum cascade lasers, and thermoelectrics.

New Zealand

Exports from New Zealand In 2025, shipments abroad of semiconductor light emitting diodes (LEDs) increased by X% to X tons, rising for the second year in a row after two years of

10mW Laser Diode

10mW laser diode component, red in colour and supplied with 7mm diameter collimating lens.

Laser Components

The applications for laser optics and optoelectronics are as diverse as the technologies themselves: Sensor technology, range finding, biotechnology with

METTLER TOLEDO New Zealand | Contact | Sales & Customer service

Telephone and Address Contacts for Sales and Service Select a product category to find relevant sales and service representatives contact information

Mitre 10

For all your home improvement, DIY & garden needs. Shop online or visit one of 85 stores nationwide. We're with you all the way.

DigiKey New Zealand | Electronic Parts and Components - Fast

This search capability is supported by rich technical data and engineering resources including tutorials, articles, videos, and design tools. Backed by one of North America's largest distribution centers, we

Laser Cleaning Machines

World-Class manufacturing with local Australian and New Zealand Sales & After-Sales Support. Our premium advanced range of Laser Industries Cleaning

Electronic Components Distributor | DiGi Electronics

We provide one-stop full-service procurement with low risk, high quality, and competitive prices. Some hard-to-find, shortage, and obsolete components, we can also provide services.

Laser Diodes, Modules | Electronic Components Distributor DigiKey

Laser Diodes, Modules Laser Diodes and Modules are semiconductor devices that can emit a beam of high intensity focused radiation, typically in the infrared, visible or ultraviolet wavelength ranges of the

Laser Machine Pricing | Thunder Laser New Zealand

Explore and compare Thunder Laser Machine pricing to find the one that suits your needs and get what you pay for.

iMark Engraving

iMark Engraving Limited is proud to be a distributor for GCC Laser and Speedy Laser. iMark Engraving provides a high level of customer care and technical

48 Laser Diode Manufacturers in 2026

48 Laser Diode Manufacturers in 2026 This section provides an overview for laser diodes as well as their applications and principles. Also, please take a look at the list of 48 laser diode manufacturers and

New Zealand

Laser Imports Imports into New Zealand In 2024, the amount of lasers, other than laser diodes imported into New Zealand surged to X units, growing by X% against 2023. Over the period

LASER COMPONENTS distributor | element14 New Zealand

Explore a full range of LASER COMPONENTS electronic components at element14 New Zealand. Reliable sourcing, competitive prices and fast delivery for your projects.

Rohde & Schwarz Expands New Zealand Presence with

After more than 35 years of trusted partnership with Nichecom, Rohde & Schwarz has established a full-time footprint in New Zealand with the

Laser Diodes | element14 New Zealand

Buy Laser Diodes. element14 New Zealand offers fast quotes, same day dispatch, fast delivery, wide inventory, datasheets & technical support.

Laser Diode, Surface Mount & Through Hole | RS

Laser Diodes Laser diodes are semiconductor devices which closely resemble an LED (light emitting diode). How do they work? Laser diodes work in a very similar way to LEDs, however they create a

Top 11 Laser Machine Manufacturers for Clinics 2026

Compare top 11 aesthetic laser machine manufacturers for clinics and distributors in 2026 — technologies, capabilities, and buyer guidance.

Commercial & Industrial Laser Cleaning Service

Laser Cleaning provides mobile laser cleaning services for the commercial, industrial, and specialist cleaning sectors throughout New Zealand.

Laser Sales and Servicing

Our experienced team can repair, service and upgrade your lasers. Whether it has dead diodes, not outputting, out of alignment or simply not as bright as it used to be, we can diagnose and sort the issue.

Lastek: Photonics Technology Solutions

Lastek is the distributor in Australia and New Zealand for over 70 leading laser, imaging, and photonics technology companies. Our portfolio includes such leading companies as Toptica, Ocean Optics,
