

New Zealand Retail OM3 High-Fiber Optic Fiber

AI Overview

OM3 multimode fiber optic cables are widely available in New Zealand from multiple retail suppliers, offering various lengths, core counts, and configurations for high-speed networking applications.

Key Retail Suppliers

- 4Cabling:** Offers a range of multimode and singlemode fiber optic cables, patch leads, and patch panels suitable for Ethernet and network installations. They provide online purchasing with fast shipping across New Zealand and expert advice for selecting the right OM3 cables for your project.
- element14 New Zealand:** Stocks OM3 multimode fiber optic cables from top manufacturers, including Multicomp Pro. They provide datasheets, technical support, fast quotes, same-day dispatch, and wide inventory for both indoor and outdoor applications.
- PB Tech:** Offers products like the Dynamix F-TBOM306-100M OM3 Tight Buffered Fibre Roll (6-core, 100m), suitable for indoor/outdoor use. PB Tech provides delivery options across New Zealand, including same-day delivery in major cities, and flexible payment options such as Afterpay.
- OplinX NZ:** Specializes in high-performance fiber optic products, including pre-terminated cables, fusion splicers, and test equipment. They focus on personalized service and supply ITU-standard fibers like OM3 for professional networking installations.
- Fiber Optic New Zealand:** Supplies custom MPO fiber optic patch cables, harnesses, and breakout cables, including OM3 50/125 multimode options. They emphasize quality control, competitive pricing, and technical support for 10G/40G/100G applications.

OM3 Fiber Specifications

- Type: Multimode (50/125 μm core/cladding)
- Bandwidth: 2000 MHz $\cdot$ km effective modal bandwidth
- Applications: 10 Gigabit Ethernet up to 300 meters, suitable for data centers, LANs, and high-speed network backbones
- Configurations: Available in tight-buffered rolls, patch cables, MPO-LC harnesses, and breakout asse...
