

Oman Molded Cable Tray Manufacturer

AI Overview

Oman has several reputable manufacturers and suppliers of molded cable trays, including FRP, ladder, perforated, and solid-bottom types, suitable for industrial, commercial, and infrastructure projects. Key Manufacturers and Suppliers

1. SV Composites & Engineering Pvt Ltd SV Composites specializes in FRP (Fiber Reinforced Plastic) molded cable trays in Oman. Their trays are designed for high load-carrying capacity, fire and corrosion resistance, and are suitable for harsh environments such as coastal areas, chemical industries, and high-temperature applications. They offer a wide range of sizes, configurations, and capacities, including channel-type trays for light instrumentation cables and power cables. The company emphasizes long-life, maintenance-free, and lightweight solutions with personalized technical support for industrial and infrastructure projects.
2. Gersan Elektrik LLC Gersan is an ISO 9001 certified manufacturer providing a broad range of cable management systems, including perforated cable trays, cable ladders, and trunking systems. Their products are designed for heavy-duty industrial applications such as oil refineries, chemical plants, gas facilities, and military installations. Gersan offers customized solutions, engineering support, and products compliant with international standards, making them a total solution provider for cable management in Oman.
3. Albustan Technical Supplies LLC Albustan Technical supplies durable cable management systems including cable trays, ladders, conduits, and raceways. Their products are made from steel, aluminum, PVC, and FRP, suitable for residential, commercial, and industrial applications. They focus on ventilation, mechanical protection, corrosion resistance, and compliance with international safety standards, serving sectors like construction, power, oil & gas, and infrastructure.
4. Gulf Grating Gulf Grating offers a complete range of cable trays including FRP/GRP, GI, SS, and aluminum options. Their systems include ladder-type trays for heavy-duty cables, with all necessary fittings for easy i...
