

Outdoor optical cable sales manufacturer

AI Overview

Leading wholesale outdoor optical cable manufacturers include SINDA, Otscale, Riteoptic, and suppliers listed on Alibaba and Global Sources, offering customizable, high-quality fiber optic solutions. Key Manufacturers and Suppliers

1. SINDA SINDA produces a wide range of outdoor optical cables, including armored and loose tube designs suitable for direct burial, aerial, or conduit installation. They source fiber cores from top brands like Corning and YOFC and hold certifications such as ISO9001, ISO14001, ISO45001, CE, ROHS, and FC. Their cables feature water-resistant filling compounds, steel or metallic strength members, and PE sheaths for durability in harsh outdoor environments. Custom solutions are available for bulk orders.
2. Otscale Based in China, Otscale specializes in high-performance outdoor fiber optic cables with loose-tube and armored configurations. They support OEM/ODM orders and provide cables for direct burial, aerial, or conduit applications. Their products are designed to withstand environmental stresses, ensuring reliable connectivity for large-scale network deployments. Competitive factory pricing and custom orders are available.
3. Riteoptic Riteoptic offers outdoor optical cables with thick protective coatings, loose buffer designs, and resistance to wind, temperature extremes, water, and corrosion. Their cables are suitable for overhead, underground, and pipeline installations. They provide OEM/ODM customization, short lead times, and bulk pricing for wholesale buyers.
4. Online Wholesale Platforms

Alibaba: Features a wide range of international outdoor optical cable manufacturers, allowing buyers to compare prices, minimum order quantities, and product specifications.

Global Sources: Lists verified manufacturers from China, India, Korea, and other countries, offering factory prices and bulk purchasing options for armored, direct burial, and high-core-count cables.

Considerations for Wholesale Purchases

Cable Type: Choose between armored, loose tube, or direct burial depending on installation environment...
