

# Pingdu Galvanized Cable Tray Price Inquiry

## AI Overview

Pingdu galvanized cable trays are available from multiple suppliers with prices varying by type, length, and bulk order, and quotes can be requested directly from manufacturers or distributors.

**Pricing Overview**

**Standard Hot-Dip Galvanized Ladder Cable Trays:** Prices are typically based on a standard length of 2.4 meters. Costs vary depending on the supplier and specifications, such as load capacity and environmental suitability.

**Bulk and OEM Options:** Factory-direct or OEM orders can provide competitive pricing, especially for large quantities. Customization for specific brand or project requirements is often available.

**Indicative Price Range:** While exact Pingdu-specific prices are not publicly listed, similar galvanized cable trays can start from approximately ₹65–₹85 per kg or per meter depending on supplier and material grade.

**How to Request a Quote**

**Direct Supplier Contact:** Platforms like go4WorldBusiness list verified Pingdu cable tray suppliers where you can request bulk quotes directly.

**Made-in-China and Manufacturer Portals:** Many manufacturers offer online quote forms for customized galvanized cable trays, allowing you to specify dimensions, load requirements, and quantity.

**Local Distributors:** Contacting regional suppliers or distributors can provide faster delivery and potential discounts for bulk orders.

**Considerations for Selection**

**Tray Type:** Ladder, perforated, or solid trays depending on cable type and weight.

**Material and Coating:** Hot-dip galvanized steel is standard for corrosion resistance.

**Compliance:** Ensure trays meet relevant standards for safety and load capacity.

**Installation Environment:** Indoor vs. outdoor, exposure to moisture, or chemical environments may affect material choice.

For the most accurate and up-to-date pricing, it is recommended to contact Pingdu suppliers directly through verified platforms or manufacturer websites to obtain a tailored qu...
