

Price List of Cable Tray Supports and Hangers in West Asia

AI Overview

Cable tray supports and hangers in West Asia typically range from \$1 to \$15 per unit depending on material, type, and supplier, with regional distributors offering both standard and custom solutions.

Overview of Cable Tray Supports and Hangers

Cable tray supports and hangers are essential for mounting and securing cable trays in industrial, commercial, and data center installations. They include:

- Fixed and adjustable brackets for wall, ceiling, or beam mounting
- Hanger rods, clevis hangers, and clamps for overhead suspension
- Hold-down clips and end plates to secure cables and prevent sagging
- Specialty supports for elbows, tees, and cross sections to maintain structural integrity

These components are critical for safety, structural stability, and ease of maintenance in large-scale electrical installations.

Typical Price Ranges

While exact West Asia pricing varies by country, supplier, and material, industry data and regional supplier catalogs suggest the following approximate ranges:

- Standard steel or aluminum hangers and brackets: \$3–\$10 per unit
- Adjustable or heavy-duty supports: \$8–\$15 per unit
- Specialty clamps, clevis hangers, and hold-down clips: \$1–\$5 per unit
- Plastic or non-metallic supports for IT/data installations: ~\$1 per meter for lightweight trays

Prices are influenced by material type (galvanized steel, stainless steel, aluminum), load capacity, and supplier location. Bulk orders or modular prefabricated systems may reduce per-unit costs.

Regional Suppliers in West Asia

Several suppliers operate across the Middle East, North Africa, and Pakistan, providing cable tray systems and accessories:

- Unitech IKK:** Offers cable trays, hangers, and supports with a strong presence in Saudi Arabia and MENA countries, including engineering support and project consultation.
- Traykabelindo:** Provides a wide range of cable tray accessories, including brackets, hangers, clamp...
