

Price of cable tray support frame

AI Overview

Cable tray support frames typically range from \$0.80 to \$76 per unit depending on material, size, and supplier, with bulk B2B pricing offering the most cost-effective options.

General Pricing Overview

B2B Bulk Pricing: Industrial suppliers on platforms like Alibaba offer cable tray support frames from \$0.80 to over \$76 per unit, depending on material (steel, stainless steel, aluminum), type (ladder, perforated, wire mesh), and dimensions. Bulk orders provide significant cost savings and higher ROI for large projects.

B2C Retail Pricing: For smaller-scale purchases, prices typically range from \$15 to \$34 per unit, suitable for office or small construction projects.

Supplier-Specific Examples

M.G. Cable Industries (Mumbai, India): Coupler plates with hardware for 25/50 mm height cable trays are priced at ₹16 per piece, while 75/100 mm height trays cost ₹30 per piece. Delivery is typically 3–5 days, with GST applicable and a minimum order of 50 meters.

Hot-Dip Galvanized Ladder Type Trays: Standard 2.4-meter lengths are priced per unit, with variations depending on fittings and accessories.

Specialized Steel Fabricators (Saudi Arabia): High-quality galvanized steel support frames are manufactured under ISO-certified processes, with pricing dependent on project specifications and bulk orders.

Factors Affecting Price

Material: Stainless steel (SS 304) and aluminum are more expensive than galvanized steel.

Tray Type: Ladder, perforated, and wire mesh trays have different costs.

Dimensions: Height, width, and length of trays and support frames influence pricing.

Quantity: Bulk orders reduce per-unit cost significantly.

Delivery & Taxes: Shipping, GST, or VAT may apply depending on location. For accurate budgeting, it is recommended to request supplier-specific quotations based on your project's material, size, and quantity requirements.
