

Price of distribution boxes for households

Overview

New panel box pricing typically ranges from about \$150 to \$1,900 for parts and labor, with most residential projects landing between \$450 and \$1,500 depending on amp rating, gauge of wiring, and labor complexity. Understanding distribution box cost involves examining the comprehensive investment required for electrical distribution systems that serve as crucial infrastructure components in residential, commercial, and industrial settings. Today's distribution boxes do far more than just split circuits. This article breaks down typical price ranges and driving factors to help homeowners and contractors budget effectively. Our durable, NEC-compliant multi-gang boxes come in welded, gangable, and old-work configurations from trusted brands. Könnér & Söhnen® Distribution Boards provide reliable connection for up to 7 groups of devices with a maximum current of 32A. Suitable for indoor and outdoor use.
