

Price of fiber optic distribution cabinet

AI Overview

Fiber optic distribution cabinets typically range from \$109 to \$369 for standard models, with larger or customized units costing more.

Price Overview

Small Wall-Mount Cabinets: Compact indoor/outdoor cabinets for 12–48 fibers can cost around \$109–\$149 depending on features and IP rating.

Medium Rack-Mount Cabinets: 1U–3U enclosures supporting 48–144 fibers are priced between \$149–\$289.

Large Floor-Mount Cabinets: Cabinets with 144 fibers or more, suitable for outdoor or central distribution, are available for \$320–\$369.

Custom or Modular Cabinets: Modular series like the 5000 series or OTE cabinets can be configured with additional racks, battery trays, or adapter plates, and prices are typically quoted individually based on specifications.

Factors Affecting Price

Capacity: Cabinets supporting more fiber cores (e.g., 96–288 cores) are more expensive.

Material: Stainless steel or powder-coated aluminum cabinets offer higher durability and corrosion resistance, increasing cost.

Environmental Protection: Outdoor cabinets with IP55–IP65 ratings for dust and water resistance are priced higher than indoor models.

Features: Additional features like splice trays, adapter panels, lockable doors, and compatibility with PLC splitters or WDM modules can affect pricing.

Installation Type: Wall-mounted, pole-mounted, or floor-standing cabinets may have different costs due to structural requirements.

Example Products

Fafeicy 12-Core IP65 Fiber Terminal Box: Wall-mount, indoor/outdoor, priced around \$109.

FiberZON 144-Fiber Floor-Mount Cabinet: IP65, suitable for indoor/outdoor use, priced at \$320 (cabinet and splice tray only, adapters/pigtails extra).

.FS FHD Rack-Mount Enclosures: 1U, up to 144 fibers, priced \$74–\$289 depending on configuration.

Multilink 5000 Modular Cabinets: Customizable modular series, price varies; requires contacting supplier for quote.

Buying Tips

Determine the number of fibers and network type (FTTH, FTTB, OSP) before selecting a cabinet. For outdoor installations, ensure IP rating and material d...
