

South African manufacturer selling optical fiber cables

Overview

AM Hengtong Africa Telecoms (AMHT) is a South African based company specialising in the manufacturing of optical fibre cables that includes underground fibre cables, aerial fibre cables and FTTH (Fibre To The Home) optical fibre cables. The company is a subsidiary of Aberdare Cables. We anticipate market needs, innovate and constantly refine our manufacturing processes and products to deliver faster speeds and more flexible. Do you need a local fiber optic cable manufacturer in South Africa?

Do you have a suitable way to contact them?

Don't worry, Gcabling will help you. Their state-of-the-art cable cutting service ensures precise specifications, making them a valuable resource for telecommunications. Open Fibre specializes in next-generation telecommunications technologies, offering advanced fiber network solutions that support individual ISP choice and collective business growth. Our primary focus at Southern Elements is providing customers with fiber optic products or equipment needed for their desired applications.
