

Sri Lanka s most famous cable tray

AI Overview

Bianco is widely regarded as one of Sri Lanka's most trusted and popular cable tray brands, known for its durable and versatile cable management solutions. Leading Cable Tray Manufacturers in Sri Lanka Bianco is a top choice for cable trays in Sri Lanka, offering products in mild steel, stainless steel, and aluminum suitable for both indoor and outdoor applications. Their trays are designed to resist corrosion and provide safe, efficient cable management for industrial and commercial projects. C&D Electrical is another well-established manufacturer, known for flexible and durable trays that cater to power generation, telecommunications, and construction industries. They also provide customization options for size and material to meet specific project requirements. Magline specializes in slotted cable trays, which allow easy attachment of accessories and quick adjustments, making them ideal for industrial plants, data centers, and telecom infrastructure. Gaurav Electromech offers a wide range of cable trays including perforated, ladder-type, solid bottom, and wire mesh trays, providing solutions for light-to-heavy cabling applications. Their products emphasize ventilation, safety, and scalability, making them popular in commercial, residential, and industrial settings. Eastlink provides a variety of trays in electro-galvanized, hot-dip galvanized, steel, aluzinc, and aluminum alloy, engineered for organized and safe cable distribution across different environments. Kiash Electricals supplies strong, durable metal trays suitable for heavy-duty projects, ensuring corrosion resistance and easy installation for commercial buildings and industrial plants.

Types of Cable Trays Commonly Used

- Ladder-type trays: Strong, open design for heavy power cables.
- Perforated trays: Light-to-medium cables with excellent ventilation.
- Solid bottom trays: Enclosed for maximum protection of data and fiber optic cables.
- Wire mesh trays: Flexible routing with good airflow, ideal for IT and telecom sectors.

Conclusion

While several manufacturers are recognized in Sri Lanka...
