

Swiss-made electrical distribution boxes company

AI Overview

Several Swiss companies manufacture electrical distribution boxes, including Alps Equipment, GIFAS-ELECTRIC, and BBC Cellpack Power Systems. Key Manufacturers Alps Equipment specializes in the production of cabinets and boxes for reliable and efficient electrical energy distribution, offering solutions such as TGBT up to 4000A for industrial and commercial applications . GIFAS-ELECTRIC provides a wide range of electrical solutions, including junction boxes, main distribution boxes, power columns, and custom-made enclosures. They focus on tailored solutions from planning and production to installation, serving industries that require durable and versatile electrical distribution systems . BBC Cellpack Power Systems manufactures equipment for medium and low-voltage distribution networks, including transformer stations, cable distribution cabinets, and switchgear systems. Their products are designed for safe and environmentally-friendly power distribution . Additional Resources For a broader selection, Europages lists over 50 Swiss companies that manufacture electrical boxes, allowing direct contact with suppliers and wholesalers for B2B purposes . These manufacturers provide solutions for industrial, commercial, and specialized applications, including modular enclosures, low-voltage devices, and custom distribution systems. Many also offer consulting and design support to ensure the electrical boxes meet specific project requirements. By contacting these companies, businesses can access high-quality Swiss-made electrical distribution boxes suitable for a variety of energy distribution needs.
