

# Swiss wire mesh cable tray manufacturer

## AI Overview

Switzerland hosts several reputable manufacturers of wire mesh cable trays, including Jeetmull Jaichandlall, VALDINOX, CabTec AG, and Cable House, offering high-quality, customizable solutions for industrial and commercial applications. Key Manufacturers Jeetmull Jaichandlall (P) Ltd. This company is recognized for producing high-quality cable trays in various sizes, shapes, and finishes. They operate a modern manufacturing facility in Switzerland and focus on tailoring products to industry-specific requirements, ensuring durability and compliance with international standards. VALDINOX Founded in 1982, VALDINOX specializes in wire mesh cable trays, supports, and easy-installation accessories. They emphasize technical expertise and long-standing experience in designing durable and secure cable management systems. CabTec AG CabTec AG is a globally operating Swiss company offering over 10,000 customized items, including cable trays and complex cable assemblies. Their products are known for innovation, flexibility, and suitability for data centers and industrial installations. Cable House Established in 1983, Cable House manufactures and supplies a wide range of cable management products, including mesh cable trays. They provide customized solutions and are recognized for high durability, reliable performance, and international service. Cablofil® Cablofil is a well-known European brand specializing in wire mesh cable trays since 1972. They offer tools like CabloCAD for 3D modeling and project estimation, making them suitable for large-scale and complex installations. Considerations for Choosing a Manufacturer Customization: Many Swiss manufacturers offer tailored solutions to meet specific project requirements. Quality and Standards: Look for companies adhering to international standards and using advanced manufacturing technology. Support and Services: Some manufacturers provide design assistance, 3D modeling, and on-site support for installation. Global Reach: Companies like CabTec...
