

Syrian Molded Cable Tray Manufacturer

AI Overview

Key Syrian molded cable tray brands include APV Group, Cable House, and Micro Sheet Crafts, all offering customizable and high-quality cable management solutions. APV Group Founded in 1999 in Damascus, APV Group specializes in cable management systems, including molded cable trays, flexible trays, electrical panels, and underfloor boxes. They emphasize high-quality manufacturing, accurate measurements, and customization to meet local and regional market demands. APV has a strong focus on competing with imported products while maintaining high standards for durability and performance. Cable House Established in 1983, Cable House is a recognized Syrian manufacturer and supplier of cable trays, hose clamps, cable ties, and industrial connectors. They provide customized solutions and are known for sustainable performance, high durability, and reliable product life. Cable House serves both national and international markets, making it a versatile option for businesses seeking molded cable trays in Syria. Micro Sheet Crafts Micro Sheet Crafts, founded in 2006, offers a wide range of cable trays in Syria, including modular and customized options. They focus on high-grade steel fabrication, stringent quality testing, and reliable delivery. Their products are designed to meet diverse customer requirements, and they are recognized for superior quality and competitive pricing in the Syrian market. Summary These brands provide a variety of molded cable tray solutions suitable for industrial, commercial, and infrastructure projects in Syria. They offer customization, high durability, and compliance with quality standards, making them reliable choices for local procurement. Businesses can contact these manufacturers directly to discuss specifications, pricing, and bulk orders.
