

Waterproof sealant distribution box manufacturer

AI Overview

Leading manufacturers of waterproof distribution boxes include SinoBreaker, ZCEBOX, SELHOT, Carsai Precision Parts, and Sunnom, offering IP65–IP68 rated enclosures for industrial and outdoor applications.

Key Manufacturers and Offerings

SinoBreaker provides waterproof distribution boxes engineered for harsh outdoor and industrial environments, with IP65–IP68 sealing against dust, rain, and UV exposure. Their product range includes plastic housings and DIN rail configurations, with AT Series for compact installations and HT Series for larger internal space and cleaner wiring layouts. They offer custom sizing, bulk orders, and pre-assembled solutions suitable for lighting, pumps, and solar systems.

ZCEBOX manufactures IP65 and IP66 rated waterproof distribution boxes using durable materials, compliant with CE and ROHS standards. They provide custom solutions for outdoor and industrial applications, ensuring reliable protection against environmental hazards.

SELHOT specializes in plastic power distribution boxes made from UV-resistant PC/ABS materials. Their enclosures are impact and oxidation resistant, suitable for solar photovoltaic systems, outdoor lighting, agricultural irrigation, and marine applications. SELHOT offers customization in color, material, flame retardancy, UV protection, and wiring layouts, with factory-direct IP65/IP67 options and CE/TUV certification.

Carsai Precision Parts produces waterproof electric distribution boxes with sealed metal enclosures for outdoor power systems, industrial facilities, and telecom infrastructure. They support custom metal fabrication, bulk production, and OEM projects, ensuring dust-tight and water-resistant performance for demanding environments.

Sunnom offers industrial-grade waterproof DB boxes with advanced sealing technologies, corrosion-resistant materials, and modular con...
