

What are the manufacturers of fiber optic cables in Malta

AI Overview

Malta has several reputable suppliers and manufacturers of fiber optic cables, including Conversa, 3Tech, and Fibconet, offering both products and installation services. Key Manufacturers and Suppliers

Conversa is a leading Maltese supplier of networking products, including fiber optic cabling systems. They provide a full range of services from consultation and design to installation, termination, testing, and certification of fiber optic networks. Their offerings include both indoor and outdoor cabling, network cabinets, racks, and related accessories, making them a comprehensive solution provider for data centers and telecom infrastructure in Malta.

3Tech supplies a variety of indoor and outdoor fiber optic cables, including tight buffer, loose tube, and microcable constructions. They cater to applications such as direct burial, duct installation, aerial (figure-8 and self-supporting), and blown fiber systems. Additionally, 3Tech provides essential accessories like joint splice closures, termination boxes, optical distribution frames, patch panels, pigtails, and patch cords.

Fibconet is another Maltese company involved in fiber optic cable manufacturing and communication solutions. They focus on high-quality fiber optic cables suitable for long-distance light transmission and offer expertise in network infrastructure projects.

Additional Resources

For broader supplier options, Europages Malta lists multiple B2B companies and wholesalers dealing with fiber optic cables and rods, allowing direct contact with manufacturers and distributors.

AtoZ Electronics also provides high-quality fiber optic cables for digital audio and data transmission, with delivery services across Malta and Gozo.

Summary

Malta's fiber optic market includes both manufacturers and distributors capable of supplying a wide range of fiber optic cables and accessories. Companies like Conversa, 3Tech, and Fibconet not only pro...
