

Where can I find cable trays for Rwanda

AI Overview

Rwanda has several reliable suppliers and manufacturers of cable trays, including Brilltech Engineers Pvt. Ltd., Cable House, and Legrand's Cablofil system, offering a variety of materials, sizes, and configurations. Key Suppliers and Manufacturers

1. Brilltech Engineers Pvt. Ltd. Brilltech is a prominent cable tray manufacturer and supplier in Rwanda, offering high-quality trays made from galvanized steel, stainless steel, and fiberglass. Their products include perforated and solid trays designed for enhanced airflow, cable protection, and easy installation. Brilltech provides customized solutions, installation support, and system design assistance, making them suitable for both small and large projects in industrial, commercial, and construction sectors.
2. Cable House Cable House has been supplying cable trays and related products since 1983. They offer customized cable tray solutions and other accessories like hose clamps, cable ties, and crimping tools. Their products are recognized for durability, high performance, and long service life, and they cater to both local and international clients.
3. Legrand Cablofil Legrand's Cablofil system is a wire mesh cable tray solution widely used in Rwanda. It is constructed from high-quality steel and comes in finishes such as electro-zinc plated, hot-dip galvanized, 304L, and 316L stainless steel. Cablofil trays are suitable for data centers, industrial installations, tunnels, and heavy cable runs, offering fire resistance, ergonomic handling, and safety features.

Applications and Benefits

- Industrial and commercial installations: Protects cables from physical damage, dust, and environmental hazards.
- Construction projects: Provides organized cable management and space optimization.
- Data centers and IT infrastructure: Perforated trays improve airflow and prevent overheating.
- Customization: Many suppliers offer tailored sizes, shapes, and configurations to meet specific project requirements.

How to Procure

Contact suppliers directly via their websites or email to request quotes, product specifications, and in...
