

Where to find good waterproof electrical distribution boxes in Kenya

AI Overview

You can find high-quality waterproof electrical distribution boxes in Kenya from local manufacturers like Kenmet Ltd and online retailers such as Tronic Kenya, Jumia, Informed Store, and Whizz. Local Manufacturers Kenmet Ltd manufactures durable and standard electrical distribution boxes suitable for factories, residences, shopping centers, and office blocks. Their products are designed to meet safety standards, accommodate bus bars, fuse links, switches, and residual current detectors, and provide sufficient space for wiring with easy installation procedures. Contacting them directly allows customization according to your specific requirements. Online Retailers Tronic Kenya offers waterproof adapter and distribution boxes made from high-quality PVC with IP65 ratings, providing protection against moisture, dust, and external damage. These boxes are suitable for indoor and outdoor installations and are easy to install. Jumia Kenya provides a wide range of electrical boxes, including waterproof options, with convenient online ordering, fast delivery, and cash-on-delivery services. Informed Store stocks IP65-rated plastic PVC junction boxes suitable for industrial, commercial, and residential applications. These boxes include installation holes for circuit boards or DIN rails and can be mounted on walls or flat surfaces. Whizz Kenya offers TICONN outdoor electrical boxes with IP67 ratings, made from ABS plastic with stainless steel latches. These boxes provide complete protection against water immersion up to one meter and are ideal for high-humidity environments, sprinkler control, lighting control, and other outdoor projects.

Tips for Choosing the Right Box

- IP Rating:** Ensure the box has an appropriate IP rating (IP65 or higher) for your environment.
- Material:** PVC or ABS plastic provides good impact resistance and electrical insulation.
- Size and Mounting:** Check that the box has enou...
