

Which cable tray support arm manufacturer is the best

AI Overview

Top manufacturers for cable tray support arms include Atkore, OBO Bettermann, and MP Husky, recognized for quality, reliability, and extensive product offerings. Leading Manufacturers Atkore International is a global leader in cable management solutions, offering a wide range of cable tray systems and support arms suitable for both indoor and outdoor applications. They are known for high-quality materials, extensive product lines, and compliance with industry standards, making them a trusted choice for construction and renovation projects. OBO Bettermann has over 100 years of experience in electrical installation and cable support systems. They provide innovative, reliable solutions with a focus on efficiency, safety, and durability. OBO emphasizes customer support, offering planning and installation guidance alongside their products, which include steel and stainless steel support arms with corrosion-resistant finishes. MP Husky specializes in heavy-duty cable tray clamps and support systems. Their products are engineered for industrial and commercial installations, providing rigid structural support and ease of installation. MP Husky clamps and support arms are designed to reduce labor costs and accommodate various beam and tray configurations, with high load capacities and durable materials. Other Notable Manufacturers include PT Trias Indra Saputra, Chalfant Manufacturing, and Sunil Engineering Corporation, which offer customized solutions, perforated and ladder-type trays, and accessories for specialized applications. Key Considerations When selecting a cable tray support arm manufacturer, consider: Material and Finish: Steel, stainless steel, galvanized, or coated options for corrosion resistance. Load Capacity: Ensure the support arm can handle the weight of the cable tray and cables. Compliance: Look for adherence to standards such as DIN...
