

Which company in the UAE offers the best quality steel cable trays

AI Overview

Top steel cable tray manufacturers in the UAE include Bonn Metal Construction Industries, Ruwais Steel, Unigroup, and Metar, all known for high-quality, durable, and compliant cable management solutions. Leading Manufacturers Bonn Metal Construction Industries LLC (BMCI) BMCI is one of the largest and most established cable tray manufacturers in the UAE, producing 12,000 tons annually. They offer a wide range of cable trays, ladders, trunking, and accessories for electrical power, signal, control, and communication cables. BMCI emphasizes precision engineering, durability, and compliance with industry standards, making them a preferred choice for large-scale industrial and commercial projects across the MENA region . Ruwais Steel Ruwais Steel provides a comprehensive range of steel cable trays, including galvanized, stainless steel, powder-coated, ladder, perforated, and hot-dip galvanized options. Their manufacturing process adheres to strict quality guidelines, including ISO 9001:2008 certification, ensuring tensile strength, dimensional accuracy, and durability. Ruwais Steel is recognized for cost-effective solutions suitable for UAE's harsh climate and industrial applications . Unigroup Unigroup manufactures high-performance cable trays, trunking, and channel systems in the UAE, designed for corrosion resistance, fire safety, and long-term reliability. Their product range includes perforated, ladder, wire mesh, and GRP cable trays, catering to both light and heavy-duty applications. Unigroup emphasizes ease of installation and compliance with international standards, making them suitable for commercial, industrial, and utility projects . Metar Metar specializes in steel cable tray systems engineered for structural integrity, corrosion resistance, and full system compatibility. Their trays are ideal for data centers, server rooms, and heavy-duty industrial instal...
