

Which fiber optic cable supplier offers the most affordable prices

AI Overview

Discount Fiber, Wolontek, FiberCables.com, and CableWholesale are among the most affordable fiber optic cable suppliers, offering competitive bulk pricing and custom options.

Key Affordable Suppliers

- Discount Fiber** Discount Fiber specializes in bulk OM1, OM2, OS1, and other fiber optic cables at low prices. They emphasize cost savings by purchasing bulk fiber at lower prices than competitors, allowing them to offer custom-made assemblies at prices often 25%-50% lower than other suppliers. They also provide fast delivery and a wide range of connectors and cable types for indoor, outdoor, and OSP applications.
- Wolontek** Wolontek offers factory-direct pricing for single-mode (OS2) and multimode (OM3/OM4) cables. Their prices range from \$0.30 to \$2.80 per meter for single-mode and \$1.50 to \$6.00 per foot for multimode, depending on fiber count and specifications. They provide volume-based discounts and custom cable structures, making them a cost-effective choice for large projects.
- FiberCables.com** FiberCables.com manufactures and sells fiber optic cables and accessories from their New Jersey warehouse. They focus on affordability and convenience, offering custom cables to meet specific needs while maintaining competitive pricing for both standard and custom assemblies.
- CableWholesale** CableWholesale provides bulk fiber optic cables at wholesale prices, including singlemode duplex and multimode options. They offer bulk-buy discounts and a wide selection of connectors and accessories, making them a practical choice for companies seeking cost savings on large orders.

Considerations for Choosing Affordable Fiber Optic Cables

Bulk Orders: Suppliers like Discount Fiber and Wolontek provide significant discounts for large quantities.

Cable Type: Single-mode cables are generally cheaper per meter than multimode, but multimode may be more cost-eff...
