

Which manufacturer makes the best fiber optic splice boxes in Georgia

AI Overview

Amerifiber, Fiberfixer.com, and Primus Cable are among the top manufacturers and suppliers of fiber optic splice boxes in Georgia. Amerifiber Based in Roswell, GA, Amerifiber is a leading U.S. manufacturer and distributor of fiber optic products, including patch panels, jumpers, enclosures, and custom-built solutions. They are known for high-quality, customizable fiber optic splice boxes and fast turnaround times, with strict quality control to meet industry standards. Amerifiber also provides expert guidance and personalized support for project-specific requirements, making them a strong choice for both standard and custom splice enclosures in Georgia (Amerifiber.com). Fiberfixer.com Located in Atlanta, GA, Fiberfixer.com specializes in fiber optic solutions, including bulk fiber optic cables, jumpers, enclosures, and custom cable assemblies. They also provide fusion splicer and OTDR equipment for field terminations, which is useful for on-site splice box installations. Their focus on rapid custom cable production and a wide range of accessories makes them a practical option for local projects requiring flexibility and speed (Fiberfixer.com). Primus Cable Primus Cable offers a variety of fiber optic splice closures and pedestals made in the USA, suitable for underground, aerial, and wall-mounted installations. Their products include dome splice enclosures, inline splice enclosures, and optical terminal splice enclosures, supporting up to 192 ribbon splices. Primus Cable emphasizes impact-resistant polyethylene construction, GR-771 and CATV compliance, and easy installation without special tools, making them ideal for large-scale networks, data centers, and campus LANs (Primus Cable). Recommendation For high-quality, customizable, and locally available fiber optic splice boxes in Georgia, Amerifiber is highly recommended for professional-grade solutions and personalize...
