

Xindu power distribution box manufacturers

AI Overview

Shandong Xindu Electric Co., Ltd. and Xindu Lida Electric Power Engineering Co., Ltd. are key manufacturers of power distribution boxes in Xindu, offering a wide range of high- and low-voltage equipment and customized solutions. Shandong Xindu Electric Co., Ltd. Founded in 2008, Shandong Xindu Electric is located near Mount Taishan and specializes in the design, development, manufacturing, and sales of electrical appliances, including box-type substations, low-voltage switchgear, high-voltage switchgear, and various distribution cabinets (3.6–40.5KV) (Web result). The company operates under ISO9001 quality standards, ensuring high product reliability. Their factory spans 20,000 square meters and is equipped with advanced shearing, punching, folding, and welding equipment, supporting both standard and customized production. Their products are widely used in electricity, coal, metallurgy, chemical, medical, and construction industries. Xindu Lida Electric Power Engineering Co., Ltd. Xindu Lida Electric Power Engineering provides both manufacturing and engineering services, including assembly, processing, and repair of box-type switchgear, ring main units, cable distribution boxes, and high/low voltage complete sets (Web result). They also offer installation and sales of transformers, cables, and related electrical equipment. The company supports OEM/ODM services and engages in both domestic and international trade, making it suitable for long-term partnerships and large-scale projects. Other Verified Manufacturers Several other Xindu-based manufacturers and suppliers are listed on platforms like Made-in-China, DOHO Electric, and Global Sources, offering customizable power distribution boxes, modular cabinets, and IP-rated enclosures (Web results). These companies provide OEM/ODM services, international certifications (UL, CE, TUV), and rapid production c...
